Fallout

A POST NUCLEAR ROLE PLAYING GAME

VAULT-TEC

Fallout 1997

Fallout takes place in a post-apocalyptic Southern California, beginning in the year 2161.

The protagonist, referred to as the Vault Dweller, is tasked with recovering a water chip in the Wasteland to replace the broken one in their underground shelter home, Vault 13.

Tested & Approved by VAULT-TEC® Labs

GAMER

Fallout

A POST NUCLEAR ROLE PLAYING GAME

VAULT-TEC

Fallout 1997

Afterwards, the Vault Dweller must thwart the plans of a group of mutants, led by a grotesque entity named the Master.

Fallout's atmosphere and artwork are reminiscent of post-World War II United States during the Cold War era and the fear that the country was headed for nuclear war in the real world.

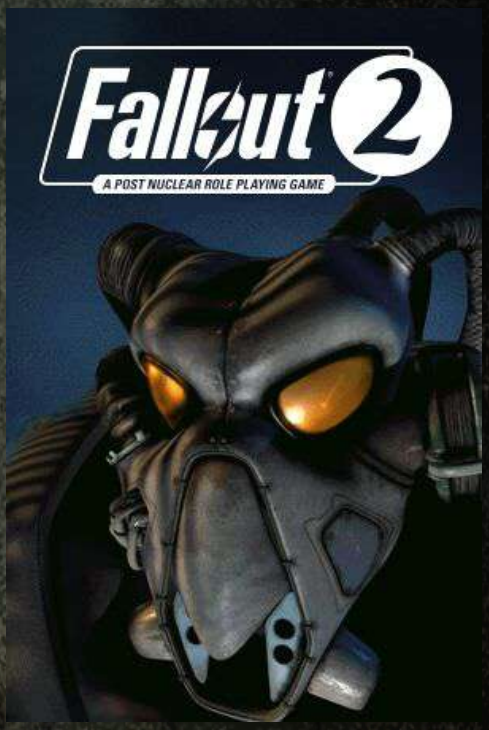
Fallout received critical acclaim and is considered one of the best role-playing video games at the time.

Tested & Approved by VAULT-TEC® Labs

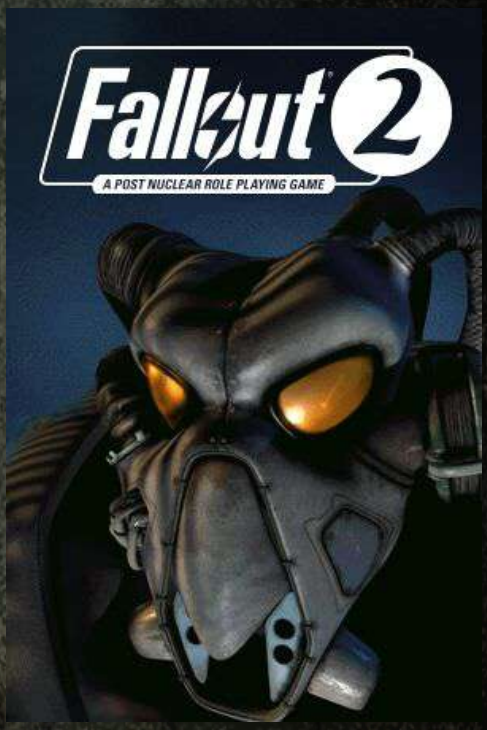
GAMER

Fallout 2 1998

Fallout 2 was released in October 1998, with several improvements over the first game, including an improved engine.

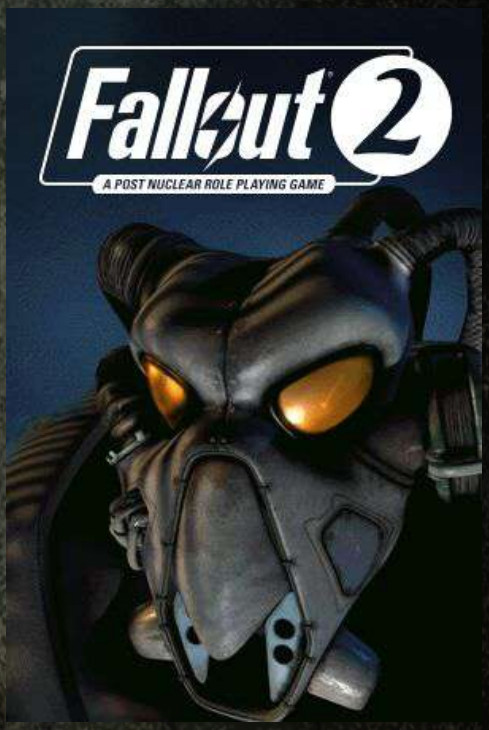


Fallout 2 1998



Additional features included several changes, including significantly more pop culture jokes and parodies, such as multiple special random encounters referencing Monty Python and The Hitchhiker's Guide to the Galaxy.

Fallout 2 (1998)



Fallout 2 takes place eighty years after Fallout, and centers around a descendant of the Vault Dweller, the protagonist of Fallout.

The player assumes the role of the Chosen One Vault Dweller's actual grandchild as they try to save their village, Arroyo, from famine and droughts.

Fallout 2 received positive reviews.

Fallout 3

Fallout 3 (2008)

Fallout 3 was developed by Bethesda Game Studios and released on October 28, 2008.

The story picks up thirty years after the setting of Fallout 2 and 200 years after the nuclear war that devastated the game's world.

The player-character is a Vault dweller in Vault 101 who is forced to flee when the Overseer tries to arrest them in response to their father leaving the Vault.

Tested & Approved by VAULT-TEC® Labs

GAMER

Fallout 3

Fallout 3 (2008)

Once out, the player is dubbed the Lone Wanderer and ventures into the Wasteland in and around Washington, D.C., known as the Capital Wasteland, to find their father.

It differs from previous games in the series by utilizing 3D graphics, a free-roam gaming world, and real-time combat, in contrast to previous games' 2D isometric graphics and turn-based combat.

Nuka-Cola

GAMER

Fallout 3

Fallout 3 (2008)

It was developed for the PC, Xbox 360 and PlayStation 3.

It received highly positive reviews.

Fallout 3 is considered one of the best free-roam gaming world adventure games ever made and is also considered a classic by most gamers.

GAMER

Fallout: New Vegas

Fallout: New Vegas 2010

Fallout: New Vegas is not a direct sequel to Fallout 3.

Events follow four years after Fallout 3 and offer a similar experience, but no characters from that game appear.

Tested & Approved by VAULT-TEC® Labs

GAMER

Fallout
NEW VEGAS

VAULT - TEC

Fallout: New Vegas 2010

The player assumes the role of a courier in the post-apocalyptic world of the Mojave Wasteland.
